

FOR GROUPS

JUDE | FOR THE FAITH is a great resource for any size group – whether it's 2 of you, or 100. Practically, this Bible study is split into 5 sessions. Each session has two components: the film and the session card. Each film is between 10-15 minutes long, and each session card will most likely take 15-20 minutes to engage. The card is broken up into 3 parts after watching the film: **READ**, **REFLECT** and **RESPOND**.

Here's the best way to lead the series in a group format:

- Firstly, watch the film and work through the session card beforehand. It will prepare you for the content. Also, pray.
- Gather the group, and begin the session with prayer.
- Have someone read the Scripture that's found under the **READ** section of the session card.
- Next, watch the film that correlates with the session you're on, which can be found under the **WATCH** section. Make sure your Wi-Fi connection is strong, and your sound is clear.
- After the film, break out into groups of 5 or 6 (or, if your group is small enough, just stay as one group).
- Work through the session card. Have different people read, again, the Scripture that's found under the **READ** section. Next, read aloud the **REFLECT** section. Allow people to engage anything that jumps out at them. After, go through the questions found under **RESPOND**. Allow time for people to think and discuss. When you feel enough has been said, or time is running out, move on to the next question.
- End the session in prayer. If someone is able to play an instrument, finish the evening with a song of worship to God.

FOR INDIVIDUALS

JUDE | FOR THE FAITH is not only a group Bible study, but a great resource for individuals as well. As stated in the “For Groups” section, this Bible study is split into 5 sessions. Each session has two components: the film and the session card. Each film is between 10-15 minutes long, and each session card will most likely take 15-20 minutes to engage. The card is broken up into 3 parts after watching the film: **READ**, **REFLECT** and **RESPOND**.

Here's the best way to lead the series on your own:

- Find somewhere quiet and away from others. The less distraction the better.
- Begin the session in prayer.
- Read aloud the Scripture that's found under the **READ** section of the session card.
- Next, watch the film that correlates with the session you're on, which can be found under the **WATCH** section. Make sure your Wi-Fi connection is strong, and your sound is clear.
- Next, work through the session card. Read again the Scripture that's found under the **READ** section. Then read the **REFLECT** section. Pause and consider anything that jumps out. After, go through the questions found under **RESPOND**. Allow yourself time to think. Once you feel finished with a question, move on to the next one. If a question doesn't make sense to you, or you don't know how to answer, feel free to move on.
- End the session in prayer.
